Dear Theuns

This is to let you know that our AngloGold - Ergo trainees - the ones made mother tongue literate in ten working days by and through your LITERATI programme - have done it again.

You will recall that they did LITERATI from 20 March to 13 April 1999 (ten working days).

On 14 April we enrolled nine of the group for English Communication Skills, HANDS-ON ENGLISH programme. The duration was five weeks, i.e 25 working days (say approximately 180 hours of training), and included ABET 1 Numeracy.

Following are the Independent Examinations Board (I E B) results - English Communication Skills:

Percentage pass	:	78%	
Higher credit passes	:	(70-79%)	: 2
Credit passes	:	(50-69%)	: 5
Ungraded	:	(below 40%)	: 2

Thank you for your LITERATI and HANDS-ON input. We couldn't possibly have done the job without the right tools.

All the best and keep up the innovative and enterprising good work - South Africa needs it badly.

Yours sincerely

PJ ENGELBRECHT
SENIOR HUMAN RESOURCES OFFICER
